

Dear Neighbors,

Houston Community College is open and safe with flexible ways for you to begin or resume your learning experiences. We want to keep the lines of communication open during this unprecedented pandemic.

HCC is offering four attendance options to help you achieve your educational goals:

- **Flex Campus:** Students enroll in classes and have the choice to attend either online or in person at the scheduled dates and times
- **Lab-Based Courses:** HCC's skills-based, hands-on lab courses host fewer students per section to enable social distancing
- **Online Anytime:** Students take classes online at any time. These are traditional online classes, and students never come to campus
- **Online on a Schedule:** Students take classes online at scheduled class time they select when enrolling, and never come to campus

There are new in-person protocols for students, faculty and staff. Everyone must pass a pre-screening each day before coming to campus. We have temperature checks at entrances, more surface cleaning and additional sanitizer stations. We also have added extra classes and rearranged classrooms to ensure social distancing. When on campus, do your part by wearing a mask, staying six feet apart and washing your hands regularly. If you are sick, please stay at home.

Get started today at hccs.edu/now for Spring 2021 enrollment and financial aid information.

Need a computer and a connection? Visit hccs.edu/techhelp for information about free and reduced-cost technology. Go to hccs.edu/careerhub to find a job or check out our Office of Entrepreneurial Initiatives for help growing your business.

Visit hccs.edu/childcare for more information about child care resources. In-person support for enrollment, advising and financial aid is also available by appointment.

Welcome back to HCC, where you can improve your life because we are #HCCStrong!

In service,

Eva L. Loredo
HCC Board of Trustees
Vice Chair, District VIII

HCC Felix Fraga
Academic Center

HCC Northeast Campus
Fire Science & Safety Program

HCC Felix Fraga Academic Center

Located in Houston's heart of second ward. The Campus focuses on preparing students with academics courses that will lead to associates degrees and level one certificates including but not limited to engineering. Under the current environment all programs are offered conveniently online as well as student support services.

Fraga Campus offers continuing education such as

- ▶ Free Limited Training in Certified Logistics Associate (CLA) and Certified Logistics Technician (CLT) classes
- ▶ Free Forklift Part I and Part II

We also offer programs for adult community in general.

- ▶ GED/ESL
- ▶ Adult Basic Education
- ▶ Adult Computer Classes

HCC Northeast Campus

Located in Houston's industrial nucleus near I-10 East and Mercury Drive, Northeast Campus focuses upon preparing students with academics and for high-demand workforce occupations that include truck driving, public safety, oil and gas, and energy.

- ▶ Northeast Campus offers courses that lead to certificates and associate degrees, continuing education as well as Adult Basic Education. Students are able to participate in innovative training using high-technology, cultural activities, and intramural sports.
- ▶ The Northeast Campus is known for its specialized programs that lead to high-wage careers as process operator or petroleum technicians in the energy field and biomedical electronics technicians in the healthcare industry.

College your Way

A safe, flexible, totally affordable college experience.

Tu carrera a tu manera

Una experiencia universitaria segura,
flexible y totalmente asequible.
